

Profile

Overview

Eugene is a Pupil Attorney in Minchin & Kelly (Botswana)'s Civil and Corporate Litigation Division. His practice focuses on civil litigation, insurance disputes and contractual claims, with a developing emphasis on matters involving liability, indemnity and contractual breaches.

Prior to commencing his pupillage, Eugene gained experience within the firm as a Legal Assistant, working across the commercial, conveyancing and litigation departments. This exposure provided him with a practical understanding of both advisory and contentious matters, and a strong foundation in procedural litigation and contractual analysis.

Eugene approaches each matter with diligence and precision. He is committed to developing into a technically strong litigation practitioner, with a particular interest in insurance and commercial dispute resolution.
