

Insurance recoveries division

Overview

Founded in 1890, Minchin and Kelly (Botswana) has always been a leading law firm in the insurance sector. We have serviced and continue to service leading insurers and reinsurers in Botswana and internationally. Our insurance practice is founded on innovation, and with this in mind we are embarking on an improved chapter of client-centric advocacy. With an unwavering commitment to providing comprehensive, cost effective and cutting-edge legal solutions, we proudly introduce our latest venture – the Insurance Recoveries Division. This Division is poised to redefine the landscape of insurance recoveries.

Minchin & Kelly (Botswana) was established to serve the commercial and legal needs of Botswana and has successfully served this purpose for over a century. The firm continues to provide high quality legal services to domestic clients in Botswana and has also developed into a leading provider of services to international clients wanting to invest or do business in the country.

The firm's historical association with and presence in Botswana together with a highly skilled and internationally experienced team of lawyers allows us to provide clients with commercial, legal and business solutions to complex legal issues in a manner that is sympathetic to and workable in Botswana. The firm's primary areas of practice include corporate and commercial, banking and finance, projects, commercial litigation, insolvency, insurance law, labour law and property. Clients include financial institutions, national utility companies, global corporations, FTSE 100 and Fortune 500 companies, the Botswana government, individuals and various other medium to large companies. As of March 2012, the firm formally became a member of DLA Piper Africa, a Swiss Verein whose members are comprised of independent law firms in Africa working with DLA Piper, which is the largest law firm in the world with a total of 4,200 lawyers practising in more than 40 countries worldwide. Our membership of this network has given our firm access to specialised legal skills in practically every field of law.

What we offer

Niche expertise

Our Insurance Recoveries Division is a specialised division. Our dedicated team is led by seasoned attorneys with a profound understanding of insurance law intricacies and clients' needs. This knowledge allows us to delve deeply into the nuances of each case, offering clients a level of expertise that sets us apart.

Innovations in strategy

We recognize the ever-evolving nature of the legal landscape. Our Insurance Recoveries Division embraces cutting-edge strategies in case analysis, negotiation, and advocacy. By staying abreast of the latest industry trends and legal developments, we ensure that our clients benefit from our tailor-made and cost effective solutions.

A dynamic team

Our team members bring a wealth of experience from their diverse legal backgrounds and a common knowledge and understanding of insurance law. This synergy of perspectives, coupled with a passion for insurance law, creates a dynamic force always ready to tackle the most challenging insurance recovery cases.

Our client-centric approach

Navigating insurance claims can be a stressful endeavor. We are therefore dedicated to alleviating this burden for our clients. Understanding that each client and case is unique, we adopt a personalised approach that prioritises results. We ensure that our clients are well-informed at every stage of the recovery process. Transparency and integrity are at the core of our values. We believe in establishing trust with our clients by maintaining open lines of communication and providing clear insights into the legal strategies employed on their behalf.
